## OUR STORY

Located in Watsonville California, near Santa Cruz. Happa Farms is a small cannabis company started in 2021. Happa farms sets itself apart from other cannabis companies because grow and sell multiple strains of premium cannabis as pre-rolls, tinctures, gummies, and flower so you can pick what is right for you! Our owners have lived in Santa Cruz for over twenty years and we want to keep our product high quality and local for an affordable price.
